

Frequently Asked Questions “Distance Learning” Packs

800-537-0008 | www.eca.bz

What is included in a “Distance Learning” pack?

Packs are fully customizable. Contents of packets are determined by the district. Packets have included:

- Materials for all subjects (Science, Math, ELA, Social Studies, Art, Music, PE/Health)
- Materials for all grade levels (Pre-K - 12th Grade)
- Printouts – worksheets, booklets, books (ECA can also do the printing for your district!)
- MISC materials for at-home work (pencils, crayons, paper, rulers, scissors)
- Live Materials (butterflies, insects, frogs, crabs, crayfish, cultures, habitats and many more)

Are the packs for students or teachers?

Both! The flexibility of our system allows us to create custom packs for students and/or teachers based on the district needs. We can even make packs for virtual PD Training sessions for teachers. Just let us know what you need!

How are packets distributed?

We offer three distribution options:

1. Delivery to one site at district
2. Delivery to multiple sites at district
3. Delivery to each student

What is the turnaround time?

Currently turnaround time is estimated at 1-2 weeks but is subject to change.

How are packs organized/assembled/packed?

We offer three assembly options:

1. Assembled by grade level (*Preferred and most efficient way!)
2. Assembled by subject matter
3. Assembled by lesson

Which subjects are the packs for?

All subjects (Science, Math, ELA, Social Studies, Art, Music, PE/Health and more)

Which grade levels are the packs for?

All grade levels (Pre-K - 12th Grade)

What is the cost?

Cost is determined by the contents, assembly preference and shipping preference selected by district. For estimates email or call:

- o EMAIL – hharlan@eca.bz
- o CALL - [800-537-0008 ext 120](tel:800-537-0008)

Do we have at-home packs aligned with any specific curriculum?

Yes, we have packs available for some lessons from the following programs:

- o EiE (Engineering is Elementary)
- o Mystery Science

We are working on other curriculums. Please send us your requests!
