Our Services

ECA FULI REFILL SERVICE SERVICE SCIENCE KIT MANAGEMENT AND REFURBISHMENT SERVICES ECA supplements kits with extra non-consumable items Extra Non-Consumable Items that teachers need but are not supplied by publishers. ECA supplements kits with extra consumable items that Extra Consumable Items teachers need but are not supplied by publishers. ECA's staff prepares certain non-consumable items to a Prepped Non-Consumable Items ready-to-use state. Some consumable items need to be cut, weighed, or counted out. ECA preps many items so they are ready to **Prepped Consumable Items** use when the teacher needs them. Teachers no longer have to mess with mail-in coupons. If a kit requires live materials, ECA will deliver live material in Live Materials Scheduling and Delivery accordance with a pre-determined delivery schedule based on the districts' use plan. ECA's staff will pick up the live materials when the kits are Live Materials Pickup Optional picked up. ECA replaces worn out and broken non-consumable items. Broken and Worn Out Items Replaced This assures that your school district's kits are maintained in a like-new condition. ECA has developed quality control systems to assure that **Quality Control** kits are delivered error free. Kits, supplies and live materials are delivered directly to Kit Delivery and Pickup **Delivery Only** each school unless otherwise instructed. Storage ECA stores kits between uses in our warehouses. ECA can rotate kits between schools to save districts **Kit Rotation Schedules** money.

Our Services

Teacher Notices	Teachers receive various email communications from ECA such as Kit Order Confirmations, Live Material Schedules, Kit Pick-Up Reminders, Advance Instructions Notices and more.	~	~
Tip Sheets	Kits include Tip Sheets with information about added items, kit use, live materials care and helpful ideas about teaching various lessons.	•	
Accountability Notices	School district administrators are notified by ECA if a kit is returned unused or partially used. This allows curriculum administrators to work with teachers that are uncomfortable using the kits.	•	
Customized Webpage	Teachers and administrators can logon on to a customized web site to check delivery schedules and download important information about kits and live materials.	•	
24/7 Customer Support	Teachers can contact us 24/7 via phone or email. Service is our priority and your schedule is our schedule.	•	~
Professional Development	We host and plan professional development events based on your needs.	Additional Fee	Additional Fee
