

ECA

Science Kit Services

About ECA Science Kit Services:

ECA Science Kit Services is a unique service that makes using science kits from **any publisher** easy for teachers and cost effective for districts.

Our service protects the districts' investment in their science materials.

Ask us about our full science kit management and refurbishment service.

Let us do the work for you!

Visit us at www.eca.bz to learn more!

24/7 Customer Support:

Service is our priority at ECA. Contact us any time!
